I am the way, the truth and the life

15 July 2018

Welcome to Church!

- ◆ We are a Christ-centered fellowship and we actively proclaim the Gospel of the Lord Jesus Christ.
- ◆ Our church enjoys vibrant praise and worship and the passionate preaching of God's Word.
- ◆ We desire to be a place where people of all nations, backgrounds, age and social status can come and worship together in love of unity.
- ◆ Our church is also a place where the hurting, broken and lonely can come and find healing and hope through the anointed presence of God.
- ◆ We are honoured that God has placed us in this community to love and to serve.

Are you visiting with us today?

We trust that you'll enjoy the refreshing presence of the Lord at our service today.

If you have any questions about our church of any aspect of the service, please feel free to ask any of the servers today. If you could complete our visitor's slip to record your visit with us, we would greatly appreciate it. Please place this slip in the offering basket when it is passed around midway through the service.

We can pray for you and contact you, if you would like us to.

God bless you! *Ps Craig & Sonia Munro*
